1. INTRODUCTION

SHRI SHIVAJI EDUCATION SOCIETY, AMRAVATI

Dr. Panjabrao alias Bhausaheb Deshmukh, one of the greatest educationist, agriculturist and reformist founded this Society in 1931 and started its work through Shri. Shivaji Maratha Highschool. It aimed at educating and upbringing the poor rural students who were far away from the field of education. The Society succeeded tremendously in its aim and to-day we have educational institutes at cities as well as in interior areas, offering courses in Agriculture, Commerce, Arts, Education, Engineering, Fine Arts, Law, Management, Medicine, Physical Education, Science & Information Technology. Shri. Shivaji Education Society is the biggest Education Society in the Central India, running Colleges and Training Centres, Schools and Kindergartens, Hostels, numerous workshops, extension services, printing press, Gymnasia, Health Clubs and a host of other facilities totaling about 132 in the service of the community at large, along with a 150 bed Hospital and a Medical Research Centre.

Our Society's service is rewarded for its distinguished work and devotion. In the year 1993-94. The Govt. of Maharashtra awarded the "Dr. Babasaheb Ambedkar Dalit Mitra Award." In the year 1999-2000, the Society was awarded the Gadge Maharaj Memorial Award. On 5 Sept. 2000, The Govt. of Maharashtra declared Shri. Shivaji Education Society as the best administered Society in the State and bestowed upon it a cash reward of Rs. One Lac. Society's contribution in the field of education and cultural advancement has been duly recognised by the Govt. of Maharashtra from time to time. Resently the Govt. has sanctioned a special Grant for the society.

SHRI SHIVAJI COLLEGE OF ARTS, COMMERCE & SCIENCE, AKOLA

Shri Shivaji College of Arts & Commerce was established in 1963 under the sincere guidance of a great visionary, academician and social reformist, Dr. Abasaheb Khedkar, the rural development minister of the Govt. of Maharashtra.

It was imparting only formal education in the faculty of Arts and Commerce. But considering the importance of science and technology, the faculty of science was started in 1967. Since then our college has been giving education in the faculty of Arts, Commerce, Science and Home science from Junior College, MCVC, to Graduation, Post Graduation and Doctoral Research Programmes, it has competent staff in teaching department, well equipped recognized research laboratories, a computer department, rich central and departmental libraries supported by spacious reading rooms, beautiful campus, hostel, well developed Botanical garden and a vast playground. It always attempts to provide quality education to the students who are coming from all walks of life. Today it is the premier and multi-faculty educational centre affiliated to Sant Gadge Baba Amravati University, Amravati. The progress graph is continuously rising with its students occupying distinguished positions in almost all the fields. In November 2003, the college has been accredited with "B+" grade by NAAC, Bangalore.
